

CALVARY CHAPEL CHRISTIAN SCHOOL

ELEMENTARY DRESS STANDARD

PURPOSE AND GENERAL GUIDELINES

As Christians, it is our desire for students to please the Lord and be a good witness to others both in appearance and behavior. We believe there is a definite relationship between good dress habits, good work habits and proper school behavior. CCCS requires students to dress modestly and attractively without drawing undue attention to themselves. Students should avoid extreme or questionable fads and fashions. Clothing should be clean, neat and appropriately sized. Clothing that is excessively tight, baggy, dirty or sloppy is not allowed. Proper student dress in association with continual effort for good attitude and behavior are important elements of our wholesome Christian learning environment.

DRESS CODE VIOLATIONS

- When possible, a student will be allowed to borrow a school uniform to allow them to return to class. If this is not possible, the student may be held out of class until a parent is able to come to school to remedy the situation. If clothes are loaned to the student, please return them cleaned within two days

As 'fads and fashions' come and go, they will not be part of the CCCS Uniform Dress Standard. Parents are encouraged to obtain Administrative approval before making purchases whenever an item of clothing or shoes is questionable. Administration reserves the right in all cases to determine what is appropriate and what may attract undue attention to the student. Thank you for your cooperation!
